

YOUR VIEWS ARE INVITED

Global Energy Nigg Ltd. is seeking feedback as part of this pre-application consultation on a Major development proposal for

Proposed development of a Rolled Tubular Facility on land at former Nigg Oil Terminal facility, Nigg Energy Park, Nigg, Tain, IV19 1QY.

This exhibition is one of two events to view the draft proposals for the development of the land. Please look at the information and drawings on display and discuss your views with the planning consultant and prospective applicants in attendance.

You can give your comments over the page and continue on a separate sheet as necessary then leave them in the box provided today. Alternatively, you can send these in by email and post to the addresses given over the page.

If you would like to be informed of the results of this consultation event you can give your contact details below.

Name:

Postal Address:

Email address:

Comments:

Comments made will be accounted for in advance of finalising the proposals.

You can leave your comments on the forms provided today or submit them by 2nd July 2025 via:
